## A Walk Through the Old Testament

The Old Testament is massive, hard to understand and difficult to navigate.

Relax and enjoy the journey as an experienced guide encourages you to see God's Word through the "Big Picture".

Our fun and memorable session will inspire and equip you to dig deeper.

This is an interactive full-day event to be held at Burley in Wharfedale Methodist Church on Saturday October 8th, provided by a charity called "Walk Through the Bible." The days are great fun and offer the opportunity to:

- Make sense of the whole Old Testament
- Enjoy memorable ways to recall the key theme of each book
- See how the land affects the story
- Be inspired to read the Bible with fresh insights

You can find out more about Walk through The Bible Ministries at [www.Bible.org.uk](http://www.Bible.org.uk).

The cost of the day is £14 but the Circuit is committed to covering that and we shall just be asking for donations from participants.
