WHAT'S ON THE HORIZON?

Guiseley

The first week in April sees an exciting project taking place at Guiseley Methodist Church.

The Church will be working together with WYDAN- The West Yorkshire Destitute Asylum Network, a charity based in Leeds to provide a week's night shelter for asylum seekers.

WYDAN is a network of organisations and individuals in West Yorkshire, committed to supporting destitute asylum seekers who have no recourse to public funds.

To find out more about this charity please look at their website www.wydan.org where you can read of all the work that they do and the services they provide.

Each year the organisation looks for hosts for their winter night shelters. As a Church we will be working with the other Churches and different organisations in the area to provide a week's shelter for ten men.

The charity provides the basic 'shelter' of beds and bedding and as hosts we will be required to provide hospitality, meals and travel passes as well as a warm welcome.

Please pray for this project as we step out in faith together.

Circuit Website

We want your stories! The best websites are ones that regularly post up new material and keep their news stories up to date.

We often publicise events on the circuit website, concerts, special services etc. which have to be taken down after they have taken place.

If you can send in a couple of paragraphs containing a review, or report of how the event went, we can extend the life of the story and it can go into our story archive and provide visitors with a picture of the many and varied things going on in our circuit

Pictures needed! On the website, we try to reflect the seasons on our home page.

We're currently sporting one or two spring-like images, but could do with more! If you have any photos of springtime scenes from around our circuit that you're happy for us to use (it doesn't necessarily have to be pictures of our churches!) please email them to Mike Fawcett via:

A Prayer for Hope

Dear Jesus,

We are preparing to journey with you to the Cross but it's too hard for us.

So thank you for signs of hope springing up along the way like snowdrops in an old churchyard.

Open our eyes and ears and hearts to your amazing hope-filled story.

Thank you, Jesus.
