

We are a team of Learning and Development Officers in the Yorkshire Plus Region of the Learning Network, covering the Yorkshire West, Sheffield and Yorkshire North and East Districts.

Wherever possible we like to work in partnership with others to bring quality development opportunities to people with a passion for learning in a mission and ministry context.

Please browse our list of events available for you to book throughout 2022-23.

Put a few of them in your diary and join your Learning Network team for a great opportunity to learn in community and companionship.

If you don't see anything you fancy, why not talk to one of our team? Maybe we can help.

You can find us on social media:

<https://www.methodist.org.uk/our-work/learning/network-regions/yorkshire-plus-region/>
